**Mary Panet named as Santa Rosa Symphony Development Associate**

(SANTA ROSA, CA) – On January 9, 2012, the Santa Rosa Symphony welcomed Mary Panet to the position of Development Associate. The main focus of this new Development position will be to grow the non-profit arts organization’s fundraising support from foundations, businesses and government, and to assist the Development Director in the Symphony’s 3-year, \$4 million “For the Love of Music” transformation campaign.

Prior to coming to SRS, Panet was the grant writer for Social Advocates for Youth in Santa Rosa for five years and served as that organization’s executive assistant. She has also been employed as a legal assistant for Santa Rosa law firms Friedemann Goldberg LLP and Lanahan & Reilly LLP, and was event coordinator for the Ati Ling Tibetan Buddhist Center in Sebastopol. She is a current Santa Rosa Symphony subscriber whose interests include playing the piano, volunteering in the community and exploring the arts.

Santa Rosa Symphony Executive Director Alan Silow praised her qualifications: “Mary Panet brings a wealth of grant writing experience and a lifelong love of classical music to this newly-added position which will fortify our efforts as we move into the Green Music Center era.”
